Chase Travel also provides tools1 (888) 483-9719 for managing eligible reservations after purchase.

This guide explains how to book a flight through1 (888) 483-9719 Chase Travel, how points work, what to 1 (888) 483-9719 check before paying, how changes and cancellations work, and how to contact Chase 1 (888) 483-9719Travel if you need assistance.

What Is Chase Travel?

Chase Travel is Chase's online1 (888) 483-9719 travel-booking platform for eligible cardmembers. 1 (888) 483-9719 Depending on the card and account, travelers can use the platform to book flights, hotels, rental 1 (888) 483-9719 cars, cruises, activities and other travel.

One of its major advantages is1 (888) 483-9719 that eligible customers can use Chase Ultimate Rewards1 (888) 483-9719 points toward travel while also having the option to pay with their Chase card or a combination1 (888) 483-9719 of points and cash.

How Do I Book Flights Through Chase Travel?

Follow these steps to book a flight. 1 (888) 483-9719

1. Sign in to Chase1 (888) 483-9719

Log in to your Chase account through1 (888) 483-9719 the Chase website or Chase Mobile® app. Navigate1 (888) 483-9719 to the Ultimate Rewards or Travel section available with your eligible card.

Chase Travel is also available through its travel 1 (888) 483-9719website for eligible cardmembers.

2. Select Flights1 (888) 483-9719

Choose **Flights** as your travel category. 1 (888) 483-9719 Enter your departure airport, destination, travel dates and number of passengers.

For a round trip, enter both departure and return dates. If your schedule is flexible, compare different dates because fares and available award pricing can vary.

3. Search and filter flights

Review the available results and use the available filters to narrow your choices. Depending on the search, you may be able to compare factors such as airline, departure time, number of stops and price.

Do not choose a flight based solely on the lowest displayed price. Check the fare type, baggage rules, seat restrictions, cancellation conditions and other terms before proceeding.

4. Select your flight

After comparing the available itineraries, select the flight that best fits your schedule and budget.

Review the complete itinerary carefully, including:

- Passenger names
- Departure and arrival airports
- Travel dates
- Flight times
- Number of connections
- Fare class
- Baggage conditions
- Cancellation and change restrictions

Passenger information should match the traveler's identification and the airline's requirements.

5. Choose how you want to pay

Chase Travel may allow eligible customers to pay using Ultimate Rewards points, a Chase credit card, or a combination of points and cash.

Before redeeming points, compare the cash price with the number of points required. Also check whether the flight displays a **Points Boost** offer.

6. Look for Points Boost

Points Boost can provide additional value on 1 (888) 483-9719 selected hotels and flights for eligible 1 (888) 483-9719 cardmembers. Chase says qualifying offers are identified in Chase Travel with the Points Boost label 1 (888) 483-9719 and rocket icon. The value and eligible 1 (888) 483-9719 cards vary by offer.

Because Points Boost offers can change 1 (888) 483-9719, always check the current offer shown in your Chase 1 (888) 483-9719 Travel account rather than relying on an older advertised redemption rate.

7. Review and confirm

Before submitting the booking 1 (888) 483-9719, carefully verify every detail. Confirm the passenger names, dates, airports, flight 1 (888) 483-9719 numbers, fare conditions, points being redeemed 1 (888) 483-9719 and amount charged to your card.

Once everything is correct, complete 1 (888) 483-9719 the booking and save your confirmation information.

Can I Use Chase Points to Book Flights?

Yes. Eligible Chase cardmembers can redeem 1 (888) 483-9719 Ultimate Rewards points for flights through Chase Travel. 1 (888) 483-9719 You may also be able to combine points with cash 1 (888) 483-9719 or pay entirely with your eligible Chase card.

However, the best use of points depends 1 (888) 483-9719 on the specific itinerary and your card. Compare the 1 (888) 483-9719 Chase Travel redemption with other eligible redemption options before transferring or 1 (888) 483-9719 spending a large number of points.

Do I Earn Chase Points When Booking a Flight Through Chase Travel?

In 2026, Chase also offers **Loyalty PlusSM 1 (888) 483-9719** for eligible bookings, allowing qualifying cardmembers to 1 (888) 483-9719 earn certain airline loyalty rewards in addition to Ultimate Rewards points. Airline 1 (888) 483-9719 and program rules apply.

Is Booking Flights Through Chase Travel Better Than Booking Directly?

Not necessarily. The better option 1 (888) 483-9719 depends on the itinerary and your rewards strategy.

Chase Travel can be attractive when you1 (888) 483-9719 receive enhanced rewards, Points Boost value or other1 (888) 483-9719 card-specific benefits. Direct airline booking may be preferable when you value the1 (888) 483-9719 airline's loyalty program, elite benefits or1 (888) 483-9719 direct handling of changes.

A good comparison should consider:

Cash price + points earned + loyalty benefits + redemption value + flexibility

rather than simply choosing the1 (888) 483-9719 cheapest advertised fare.

Can I Change or Cancel a Chase Travel Flight?

Potentially, but the exact rules depend1 (888) 483-9719 on the airline, fare and reservation.

Chase states that airline tickets1 (888) 483-9719 booked through Chase Travel are generally subject to the1 (888) 483-9719 applicable airline cancellation and change policies. Some reservations can be managed online1 (888) 483-9719, while complicated changes may 1 (888) 483-9719 require assistance.

If your flight qualifies under applicable U.S. Department 1 (888) 483-9719of Transportation rules, an1 (888) 483-9719 airline may also be required to provide a 24-hour cancellation option for qualifying1 (888) 483-9719 reservations booked at least seven days before departure1 (888) 483-9719. The specific requirements and exceptions should be1 (888) 483-9719 checked before relying on this rule.
